**PETITIONING THE COURT**

To amend the conditions of pretrial release as follows: Remove the condition placing the defendant on a sobriety.

**CAUSE**

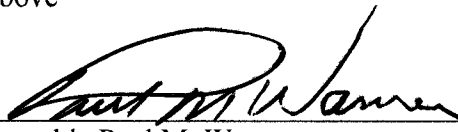

On November 15, 2018, the defendant appeared before Your Honor to answer for a pretrial release violation. The Court ordered the defendant released on the previously set conditions along with adding three conditions: no contact with victims, witnesses, codefendants; no alcohol; and placement on a sobriety. To date, the defendant has been compliant with this condition, therefore, this officer is requesting the condition for the sobriety be removed.
